

WAREHOUSING SERVICES

TRANSLOADING

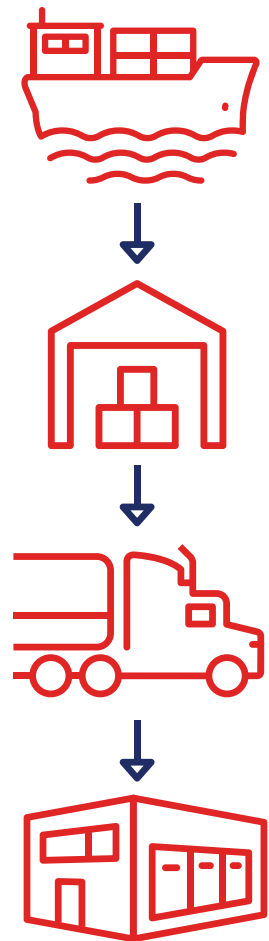

We offer the space and services you need to keep your supply chain running.

Benefits of transloading:

- **Extensive warehouse network offering**
 - Local drayage to warehousing strategically located at the port
 - Loading onto domestic truckload equipment
- **Flexibility**
 - Load deliveries bound for multiple distribution centers into one container

Cost effective

- Load overweight containers to reduce number of ocean moves
 - Eliminate drayage over 200 miles
 - Save on storage, demurrage and other fees
- **Speed to market**
 - Bypass or load direct to distribution centers
 - Load direct to consignees
 - **Gain efficiencies**
 - Eliminate delays with unloading because of labor shortages at warehouses/distribution centers
 - Take advantage of floor-loaded containers
